

Line Trace and Copy

Trace lines carefully.

A rectangular box containing a solid black horizontal line at the top and another solid black horizontal line at the bottom. Between these two lines, there is a series of seven connected, dashed, wavy lines that resemble a scalloped or undulating pattern, intended for tracing.

A rectangular box containing a solid black horizontal line at the top and another solid black horizontal line at the bottom. Between these two lines, there is a series of seven connected, dashed, wavy lines, identical to the pattern in the first box, intended for tracing.

Draw the same line as above by yourself.

A rectangular box containing a solid black horizontal line at the top and another solid black horizontal line at the bottom. The space between these two lines is completely blank, intended for the child to draw the wavy line pattern independently.
