

Line Trace and Copy

Trace lines carefully.

Tracing practice box 1: A solid black top line and a solid black bottom line. Between them is a dashed line forming a square, a trapezoid, and a semi-circle.

Tracing practice box 2: A solid black top line and a solid black bottom line. Between them is a dashed line forming a square, a trapezoid, and a semi-circle.

Draw the same line as above by yourself.

Blank drawing area: A solid black top line and a solid black bottom line, with the space between them left empty for independent drawing.
