

Line Trace and Copy

Trace lines carefully.

Tracing practice area 1: A horizontal line at the top and a horizontal line at the bottom. Between them are four sets of three concentric dashed triangles, each set consisting of a large outer triangle, a medium middle triangle, and a small inner triangle.

Tracing practice area 2: A horizontal line at the top and a horizontal line at the bottom. Between them are four sets of three concentric dashed triangles, each set consisting of a large outer triangle, a medium middle triangle, and a small inner triangle.

Draw the same line as above by yourself.

Blank drawing area: A horizontal line at the top and a horizontal line at the bottom, with a large empty space in between for independent drawing.
